Club Success

To be a strong club, we need full participation from our members. Participation means volunteering your help in any way you can. If after having been a member for a few months, you would be interested in volunteering as a host or co-host of an activity, please contact our Activity Coordinator. The Activity Coordinator maintains a file on what it takes to host various functions and would be delighted to send you a copy of any activity. On the other hand, if you'd prefer to offer help in an administrative capacity or as a Council member, please contact the President of the club.

On the reverse side of this form is our **Acknowledgement and Release Waiver** that all members must **complete and sign** yearly when they join or renew their memberships.

This agreement must be read carefully and signed before any activities may be undertaken. By signing this agreement, you are acknowledging the law and giving release from liability, including negligence.
